Garden of Eden is really a beautiful garden and we were very interested seeing it and we have invested here for our future. We will be happy to tell all that this is a good thing to invest here so that our future can be bright. The same thing if we take in Hyderabad it will costing us too costly, in this area if you take it will cost you very less and in future it may be double. So it's a very good investment thing to invest on such kind of properties.
